Bodal Chemicals Ltd.
COLOURS. INTEGRATION. INNOVATION.

Mr. Suresh Patel, Chairman & Managing Director, Bodal Chemicals Limited, said, "With this investment, Bodal Chemicals will be able to consolidate its position in the local & global markets of dyestuff and dyes intermediates. Stricter environmental regulations in China resulting into supply restrictions coupled with India's improved competitiveness have presented substantial global opportunities. Bodal Chemicals, one of the largest and most integrated players in this industry, is poised to take advantage of these opportunities backed by its long established local & global customer relationships."

About Bodal Chemicals Limited:

Bodal Chemicals Ltd is the most integrated Dyestuffs Company and also the biggest manufacturer of Dye Intermediates in India. Its Product range covers Dyestuffs, Dye Intermediates and Basic Chemicals broadly following under Specialty Chemicals. It contributes about 20% of India's capacity and about 5% world's capacity for Dye Intermediates. Bodal Chemicals has capacity of manufacturing over 25 varieties of Dye Intermediates and around 150 variants in Dyestuff which are principally used as raw materials in Textile, Leather, Paper & other Dye consuming industries. Out of total production about 35% is export to over 45+ countries across the world.
